INCREASE OF RATES.

Owing to the great advance in the prices of paper abor, and all other material necessary to the publiration of a newspaper, together with the enhanced expense of living, we are reluciantly compelled to advance the rates of the Daily Rings. From and luded to by the "situation" writers as "the after the list day of April, the rates of subscript will be un follows:

Terms of Subscription

Three Mouths. Rates of Advertising.

For each square of ten lines or less first insertion On advertisements standing one mouth a deduct) On advertisements standing two months a deduc tion of 10 per cent will be made

Advertisements standing three months will No advertisements will be taken for a longer period than three in onths. Advirtisements or not ces in the Local column wi be charged 25 cents per line for each insertion. All obituaties and articles that are personal, or not of general public interest, must be paid for as adver

SATURDAY MORNING, MARCH 28 1863.

The last foreign news brings the gratifying take us in the rear."

fenceless, women. History abounds with dential way." for Haynau to punish with stripes, helpless up again. Three or four dozen Illinois gentle and aubstantial consolation. prayed for the rocks and mountains to fall dying on parade, without permission of his talk and write any more about the Union and mar25-lm take him to its protecting bosom; but even With the lights before us (lights, by the of Southern property by freeing the everlastdeath, ever busy in hunting for the food "gentleman from the front,") we are satis- ing nigger, and they come down with sword ON Saturday morning 25th inst., at 11 o'clock, 1 carcass so loathsome. Avoided by all, Hay- the Yankee army. The public may rest don't want to free the nigger's nau was left in the worst and meanest of ascured that our "special gentleman from sike, but for the master's sake. They are fightall company-his own conscience. This the front" will "get through" as rapidly as ing us to do us as much harm as possible; they

find his own similitude. He is re-enacting capture the same crimes, and is ascending with rapid strides high up on the same pedestal of infamy, which Haynau in eracted his own memory. In fact, Beast Butler seems anxrapine and blood are familiar to the world.
The heart sickens in contemplating them. Men have been tortured and hung merely to gratify his beastly love of ernelty. When deprived of specific acts on the part of his vactimes, he has tortured looks, words, and gratify his beastly love of energy and the part of his vactimes, he has tortured looks, words, and gratify his beart of fire all and bearts in homan shape, they have formed Regiments. They then put femalical about the translations into offences, and punished them the unsatisfactory condition of things which has prevailed in that department for several months past will now be terminated.

Telegraph as the substitution of Gen. Frice for all nations, the wretched and sinful, the friends and beasts in homan shape, they have formed Regiments. They then put femalical about 170 ion., clark complexion, one or two disbolical monsters on the part of his which has prevailed in that department for several months past will now be terminated.

Telegraph as the substitution of Gen. Frice for all nations, the wretched and sinful, the friends and beasts in homan shape, they have formed Regiments. They then put femalical about 170 ion., clark complexion, one or two disbolical monsters on the part of his about their bead, and tell them? To was the interest such as the beat with singular about 170 ion., clark complexion, one or two disbolical monsters on the put femalical about 170 ion., clark complexion, one or two distributions, the western Regiments. They then put femalical about 170 ion., clark complexion, one or two distributions, the western Regiments. They then put femalical about 170 ion., clark complexion, one or two distributions, the mest disabilitions, the western have about 0 ion the subscript of his part will soon overtake him. Already the civil- here and that place very seriously. ized world has pronounced his doom. England and France have already branded at Liberty states that it lasted six hours, that they have now forfested the claims to any him with letters which Time's all gnawing he drove the enemy two miles, when they were thing of the kind.
